PRESENT: Mr. Dulles, Mr. Amory, Colonel White, [REDACTED] 25X1A9a
Messrs. Kirkpatrick, [REDACTED] (part of mtg) 25X1A9a

25X1A9a

Mr. Dulles:

25X1A9a

a) Noted a paper he had received from C/FE commenting on a memorandum of conversation between [REDACTED] and [REDACTED] 25X1C8c
respecting U. S. support for forthcoming elections in [REDACTED] and stated at 25X1A6a
the moment CIA had no intention of providing any money, however, he would
mention this matter at today's OCB meeting.

Mr. Amory raised the question as to whether consideration had been
given to furnishing support in the [REDACTED] to be held in January (about 25X1A6a
20 seats are involved). The Director commented he had not thought too much
about this but would mention it at today's OCB meeting.

b) Noted that Sig Mickelson of CBS had suggested there be another get-
together with the CBS foreign staff when they come to the U. S. at the end of the
year, and after some discussion it was agreed to do this in early January after
they have had an opportunity to make their roundup. It was also agreed that
CIA would act as the host. ACTION: [REDACTED] to notify Col. Grogan. 25X1A6a

25X1A9a

a) Referred to two recently approved [REDACTED] projects on [REDACTED] 25X1A
and the United Nations and stated he had been considering for some time that
it might be wise for the Director before finally approving future [REDACTED] projects 25X1A2g
to touch base with other departments of the government who might be interested
in order to insure that a record is built to show concurrence. The Director
raised the question as to whether or not similar action should be taken on all
projects farmed out to private research organizations. [REDACTED] commented 25X1A9a
that this could be done. After some discussion it was agreed to put this matter
on ice for the time being.

b) Noted that a meeting had been held to study what CIA should do about the
intelligence implications of any program agreed upon between the U. S. and the
Soviets on open skies inspections. The Director said this raised a question in

his mind as to how much work should be spent on this since he felt it was not urgent since there would be sufficient time between signing and ratification of any Treaty. It was therefore agreed to hold up any further detailed planning until such time as discussions again come up between the U. S. and the Soviets.

Col. White:

25X1A9a a) Noted that [REDACTED] advised him that 1) Senator Paul Douglas plans to visit Switzerland, England and France (it was agreed no action was necessary); 2) Congressmen Case, Ervin and Barrett are going to Latin America and plan to ask for briefings from the Embassy. ACTION: [REDACTED]

25X1A6a b) Reported that a junior officer of Commo had devised a method whereby he could open three-way combination safes [REDACTED] Col. White said in a series of tests this had proven successful four out of five times. Col. White went on to say that this young man had done this on his own time and recommended that the Director see him. The Director said he would not only see him but he also should receive some suitable recognition.

25X1A13c Action: DD/s

25X1A13c In response to a query from the Director, Col. White said that a book [REDACTED] day. In the meantime he said steps were being taken to come up with a solution to this problem and we are notifying the security officers of other government agencies.
